**SECTION 5. BEST MANAGEMENT PRACTICES DESIGN CRITERIA**

Please refer to the following websites for Best Management Practices (BMPs) referenced in this Manual. Standards and guidelines established in the following documents are generally acceptable to the City of Chula Vista, however, the City reserves the right to make the final determination as to the applicability of each of the BMPs, standards, criteria, etc. to a development or redevelopment project on a case-by-case basis. Samples are included in this Section for each website for reference only.
